GET INVOLVED!

Share your time, talent and donations!

WHITAKER'S BOOK FAIR IS COMING Feb 23–26, and we need **YOU** to help make it amazing! Our students **love this event** — the excitement, the books, and the chance to pick their favorites. We need volunteers to help make it a success — no experience is required. Join the fun and see the smiles for yourself!

BOOKS & BBQ FOR WHITAKER! Visit Little Richard's during Book Fair Week and support Whitaker with a delicious way to give back.

The **Book Fair will be open late on Tuesday, Feb. 24 (4–5:30 p.m.)**, so you can shop for books and then head to Little Richard's for Spirit Night.

All week (**Feb. 23–Mar. 1**), kids receive a **free dessert** with a meal when you show proof of a Book Fair purchase (receipt or books).

Skip cooking, enjoy great food, and double your support for Whitaker!

PROGRESS REPORT

Hear about what the Circle is doing

- Whitaker has the **BEST SUPPORT STAFF!** To show our appreciation, the Circle gave a holiday gift to each of our support team members—including, custodians, specials teachers, and counselors.
- **SPIRIT NIGHTS** are a great opportunity to skip cooking dinner and connect with our Whitaker community, all while supporting our school! Thanks to your participation in these community-building events and to our restaurant partners that donate a portion of their proceeds, we can help support teachers and students. Last year the Circle brought in **\$2,726** so be on the lookout for future Spirit Nights and plan to be there so we can raise even more this year!
- **PLANNING IS ALREADY BEGINNING!** If you would like to be more involved in the Circle next school year, please email us at whitakercircle@gmail.com

SOARING SPOTLIGHT

Meet **CHEZLEY ROYSTER** *New WES Media Coordinator*

Welcome to Whitaker, we're glad you're here! Where were you before joining us? I have worked in the district since 2000 as an ELA Teacher at Wiley MS, and EC Instructional Coach for all the middle and high schools.

What does the Media Center mean to you? I hope that every kid has a good experience with libraries so they learn they always have a place to go with free access to information. Libraries are the most important institution in our society, and it's vital that students learn how to use databases to find information.

Anything you'd like our WES community to know about you? I'm not a "shushy" librarian, and I believe that the library should be alive with the burn of curiosity and exploration!

VOLUNTEER VOICE OF THE MONTH:

"Working with my 1st grade reading group has been so fun, and I'm proud to be at a school that has been able to fill in the gaps for our teachers this year. It's also a joy to be a part of my children's school and get to know everyone who works there!"

Margaret Bohon ~ 1st & 2nd grade parent, front desk and weekly classroom volunteer

PLATINUM BUSINESS PARTNER SHOUT-OUTS!

Run by our own Business Partners leader Jane Duncan, **JBD Insight** brings fractional marketing leadership and insight to organizations who need it. Thanks Jane for supporting us all, and to Jane's office at **Front Street Capital** for printing this month's newsletter! frontstreetcapital.com

If you're near Whitaker, or anywhere in Winston, you're surely seeing **ICON Custom Builders** signs in yards of amazing homes. Thanks ICON for your support and for building (and renovating) beautiful neighborhoods! iconcustombuilders.com

It's the season where all of our ears, noses, and throats need extra care -- and Piedmont Ear, Nose, & Throat Associates is the place to go! Thanks **PENTA** for all your care, expertise, and support! piedmontent.com
